Sponsorship Opportunity

Wildlife ARC (Wildlife Animal Rescue and Care Society) is a registered charity that rescues and cares for injured and orphaned native animals on the Central Coast of NSW. The ARC has been operating for over twenty three years and now cares for about four thousand animals every year.

The ARC is operated totally by volunteer members that freely give their time and funds to rescue, care and rehabilitate native wildlife. With the exception of an occasional small grant from National Parks and Wildlife Service, all funds are raised by the members through contributions, raffles and other local fundraising.

Wildlife ARC runs an emergency call centre for native wildlife that is staffed by volunteer members 24 hours a day – seven days a week. We endeavour to provide a reliable response to all calls received.

Unfortunately, to operate an effective wildlife care organisation costs money.

In recent times we have seen a significant increase in the cost of operating the ARC, including phone costs, food and fuel. In order to keep the ARC operating we are seeking your support.

We would like to offer you an opportunity to support Wildlife ARC through an annual sponsorship. The sponsorship is for twelve months and includes listing your company's name and logo on our website and in our monthly newsletter.

In addition you may use the Wildlife ARC Official Sponsor logo on your own advertising material for the period of the sponsorship.

To be recognised as an **official sponsor** we are seeking a minimum of \$1 000.00. If you would like to contribute more we are willing to accept whatever you can give.

We also offer minor sponsorship packages. These are for sponsorships less than \$1000.00 or provision of items that we can use in the care of wildlife. Sponsorship can encompass goods that we can raffle to raise funds or a discount on services provided to the ARC.

Minor sponsors still receive recognition on our web page and in the official ARC Newsletter.

If you would like any more information, or can offer some other form of assistance to Wildlife ARC, please contact Scott Jones on 0401226869.

All corporate sponsorships are tax deductible and will make a significant difference to the services that Wildlife ARC can provide.

Please help us help our native friends.
